

St. Joseph School Teachers

Our teachers are fully certified to prepare students for the future. Our Middle School Teachers specialize in language Arts/Literature, Science, and Mathematics for curriculum expertise in the upper grades. We draw on the expertise of our community for guest speakers, readers, and experts in a variety of fields of study and areas of interest.

A small school offers a safe, secure environment.

The size of our school allows us to personally know each student and family by name. The building is locked with monitored security doors as well as twenty-four hour seven day a week camera surveillance. All staff members and volunteers are in compliance with Diocesan Child Protection policy.

Mission Statement:

St. Joseph School provides excellence in education, instills Catholic faith formation, and promotes service to the community thereby creating lifelong learners and conscientious citizens.
